

# STREAM

## STREAM Webinar Series

Sequencing The Rivers for Environmental  
Assessment and Monitoring

1

Thursday, March 25  
**Introduction to  
STREAM**

2

Thursday, April 8  
**Introduction to CABIN**

3

Thursday, April 29  
**STREAM Users -  
Featured Case Studies**

4

Thursday, May 27  
**Indigenous-led  
STREAM projects**

THESE WEBINARS ARE FOR EDUCATIONAL PURPOSES ONLY.

Guest presenters will include representatives from University of Guelph, WWF-Canada, Environment and Climate Change Canada, and participating water monitoring groups and First Nations.

The purpose of this four-part webinar series hosted by Living Lakes Canada is to introduce the STREAM project to anyone interested in community-based water monitoring.

Time for all webinars:  
10 am - 11 am PT  
11 am - 12 pm MT  
1 pm - 2 pm ET
