

Did you know that Canada has more lakes than any other country in the world?

Let's showcase this incredible abundance of biodiversity — it's really easy to participate!

HEY CANADA! YOU'RE INVITED TO JOIN THE...

# NATIONAL LAKE Blitz

Helping Canadians understand climate change impacts on the health of our lakes.

# LAKE BIODIVERSITY PHOTO CHALLENGE

May 21 - July 31

**Who can join?** Everyone!

**What do I need?** A camera or smartphone and your favourite lake

**What do I do?** Between May 21 & July 31, 2021, snap a photo of your lake that demonstrates its biodiversity OR that displays human threats to the lake environment. Submit your photo and the name/location of your lake via the Lake Blitz website OR email your photo(s) to lakeblitz@livinglakescanada.ca OR tag it with #LakeBlitzPhoto on social media.

There will be one winner per category. Winners will be chosen by Earth Rangers' president Tovah Barocas and announced at the end of Lakes Appreciation Month in July
